

TRADIE ON THE MOVE

CONNECT STAFF TO YOUR **Accredo** SYSTEM ANYWHERE, ANYTIME

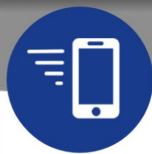

Create staff schedules, keep track of your staff, and get job data **as it happens**.

Your data your way

Connect your staff with your accounting system from any device with a web browser. All data is stored in your accounting system in real time.

Keep connected

Create jobs, record time, or enter purchase orders while on the road and send them straight to your accounting system.

Designed for tradies

Tradie has been carefully designed to have a simple, uncluttered interface, that's easy to use. Big buttons make it easy for tradies to quickly enter their data.

 **Job management**

 **Scheduler**

 **Time recording**

 **Health and safety**

 **Custom forms**

 **Customisable**

Pricing

- Installation \$500
- Monthly hosting fee \$150
- Monthly user fee \$25

About us

We take a collaborative approach with our customers when developing new features that go into Tradie On The Move. This ensures that everyone from tradies and dispatch staff through to management and executives all have their ideal business solution.
